FUND INVESTMENT ASSISTANCE

It is my great pleasure in writing you this letter on behalf of myself and my colleagues. I have been mandated by my colleagues to look for a reliable and reputable foreign partner/trustee. I got to know of you from the Export Promotion Council Foreign Exhibition.

We are handicapped in this deal because the Civil Service Code of Conduct does not allow public servants like us to operate offshore account, hence your importance in the whole transaction.

It is my pleasure to introduce my humble self to you. I'm Engr. John Lambo - a staff of the Pipelines and Products Marketing Company (P.P.M.C) a subsidiary of the National Petroleum Corporation (NNPC). I am Executive Director, Project Implementation Budget and Finance of the Pipelines and Products Marketing Company (PPMC).

In my Ministry where I work as an Executive Director, we awarded a contract to foreign contracting firm, which we the officials over-invoiced and deliberately increased, although the actual contract cost have been paid to the original contractor, leaving the balance of US\$27,350,000.00 (Twenty Seven Million Three Hundred & Fifty Thousand US Dollars Only) which we have gotten approval to remit to foreign bank account you will provide by filling in an Application through my Ministry for the Transfer of Rights and Privileges of the former contractor to you, since we are Civil Servants, we are prohibited/barred by the law to operate or own foreign account.

We are seeking your assistance in providing a good bank account into which we can remit this fund by acting as our main partner/trustee or sub-contractor, upon application for claim to reflect the payment and approvals to be secured on your behalf.

We proposed to you as Partner/Trustee of the Fund that we intend to invest into real estate and capital market in your country. Upon your response and indication to assist us,

I will disclose to you the dossier of the transaction as soon as I receive your oath of trust and your acceptance such as the terms and mode of sharing as compensation for your expected assistance for the transfer of the fund and investment of the fund. Contact me on this my Confidential Email: john.lambo@libero.it, for security reasons since we are highly placed Government Officials and would want to keep this strictly confidential.
